Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.		
Assessor Comments	Nice even line of mixed sex lambs exhibiting good weight for age, bone and depth. Lambs that would really go ahead once shorn. Ewe lambs are dirty around the breach so assessor would suggest shearing or crutching. Well bred lambs with plenty of time and scope to reach both trade and heavy export markets.
