Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.		
Assessor Comments	A very nice line of 158 2nd X store lambs that have been sired by good Cranbrook Poll Dorset Rams and are out of 1st X White Suffolk ewes. At assessment these lambs averaged 35.5kg and are still fresh and given the right nutrition would power forward. These lambs are July/Aug 23 Drop and a tail has been removed. They have very good shape and style for their age. The lambs would benefit from a drench but are crutched,. Ideal lambs to take forward to finish for summer and autumn markets.
