JD Approved Vaccinates	Sheep are not JD Approved Vaccinates.		
Assessor Comments	500 May/June 2023 drop merino wether lambs, Strathavon bred, Collandra North blood, September shorn, mulesed, 35.3 kgs live weight. A line of quality shorn merino lambs, that are shorn and ready for the successful bidder to turn out. Lambs are true dual purpose sheep growing a great long stapled white wool whilst having plenty of length and depth of body ensuring a quality carcase on the hook. A great opportunity to put out lambs to meet summer/autumn trade and export markets or to retain as wool cutters.
