| Assessor Comments            | Well bred line of Weaned May/June drop lambs. Lambs present in predominately fresh forward store condition and ideal to shear to carry forward. They are bred from genuine medium to large frame plain bodied ewes. Lambs will meet trade/export weights if given the opportunity with ease.                                                                                                 |            |                         |
