Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.		
Assessor Comments	Excellent quality line of Weaned sucker lambs. All Lambs have been individually weighed via an auto drafter 33-40kg. Lambs present evenly as a group and in predominately forward store to slightly forward condition. They are bred from a well-known primeline flock and have the ability to perform in all markets. Lambs are proven performers amongst previous purchasers and will meet export weights with ease if required. Ideal to shear and finish in the new year as trade or export lambs.
