Assessor Comments	A good run of 1X mixed sex lambs ideal to take through to domestic or export kill. Lambs present in forward condition and will continue to put on weight quickly if shorn and shown grain/crop. Ewe portion could also be retained as lambs are sired by high quality Bauer rams out of Hazeldean blood ewes. Last years lambs out of the Gardiner flock averaged 30kgs dress weight at Southern Meats once grown out. These lambs will reach these weights again if given the opportunity. This is the complete drop of Gardiner lambs with 10% tail removed. Please note: Agent can arrange freight to Riverina with weekly market trucks to Wagga.
