Assessor Comments	Offering a tightly weighted draft of White Suffolk sired lambs presenting in healthy, principally fresh store condition. Lambs are well weaned, having received a 5-in-1 booster and triple active drench at weaning. They are sired by The Willows White Suffolk rams and bred from plainer bodied Connemara merino ewes. This draft were individually weighed into their group two days prior to assessment and a 15% tail removed. Genuine late drop lambs, they have time and breeding on their side to carry through to trade or heavy trade lambs. Any dirty lambs will be crutched prior to delivery. T & M Agriculture offer 2250 weaned White Suffolk sired lambs over 6 lots across two properties within 20km this sale. A terrific opportunity to put together large runs of healthy, weaned crossbred lambs.
