| Assessor Comments            | Genuine line of future breeder ewe lambs that will be sold as 6 lots of 250 with a run out of the gate on a total number of 1500 head. These ewe lambs are the seconds of the drop off this property and are an incredibly even line of sheep. Ewe lambs present in forward and fresh condition and no doubt will be up to joining weight from here on forward. Successful purchasers in the past have had terrific results in conception and lambing of ewe lambs and have held the Boonerah ewe lambs in high regard. ** Please note the vendor has other lines of sheep on offer ** |            |                 |
