Assessor Comments	Bunbury offering Second draft of 400 Merino Woolly ewe lambs June/July 2023 drop Ave 24.5 kg LW curfew, medium frames. Currently in store condition, majority of lambs are fat score 1 and are starting to run to wool. The vendor has retained the top draft of Ewe lambs for future breeders and the bottom 10% draft has been removed from this mob of lambs. Suitable to grow out as future breeders. The lambs are starting to pick up grass seeds on their legs, bellies and jaws. These lambs are ideal improvers and will perform in tougher conditions, and will bloom shown good feed. Suggest to shear the lambs once they have arrived at their new destination. Buyers can put together lines of one vendor bred one mark lambs. Bred out of Medium to Large framed Watervalley Merino Ewes. The lambs have been mulesed and tail stripped.
