Assessor Comments	A very good line of Angus & Angus x Santa Heifer calves. Well grown and in good condition, these heifers are suitable as quality future breeders or carry on for a feedlot intake. Vendor sources quality sires making these heifers an ideal future breeder option. As unweaned calves, they were very good to handle at assessment, so fair to consider they will wean off as a tractable article. ** Note Vendor offers to deliver to Glen Innes, if tying in with through travelling B-Double **
