Assessor Comments

A very good line of Angus & Angus x Santa unweaned steer calves. These cattle are well grown and forward in condition. Ideal to carry through to very good feeder steers or heavy kill carcase. Vendors always secure quality stud sires that are used over large frame cows. Calves were easily handled throughout assessment process without any concerns noticeable for adverse temperament. A great deck of quality weaners. ** Note Vendor prepared to deliver cattle to Glen Innes to link in with a B-Double loading if helpful. **
