Handled With	This lot worked well in the yards. Well handled and easy to process. Bikes , Dogs , Horses , On foot , Vehicles		
Assessor Comments	Nice line of Angus heifers with plenty of frame that have been trained to feed. Good body types that will fit domestic and export markets if given a chance. they are moving forward and given a chance will jump out of their skin. They are a very even line. 7 animals with pink eye scares. 2 with ringworm. Not detrimental.
