| Assessor Comments  | Stretchy frames with not a heap of condition. They will do with good feed out in front of them, they have been trained to feed so will go straight onto a feedlot ration or go back out into the paddock. Please note 4 pinkeye scares.                                                                                                                                                      |                                                                               |                                     |
