Assessor Comments

Steers once assessed did run a little bit in the yards, however majority were very good.

Assessor Comments

This is a opportunity to secure a line of EU accredited Angus Steers. The steers are by Dunoon Angus sires. These steers have been in very dry conditions since birth. These steers given the opportunity have the genetics to suit a number of markets. Steers are in light store condition. 1 of these steers has signs of ring worms. Diamond Jay have a quality line of Angus Cows that they have bred over many years.
