Assessor Comments	Quality line of Angus heifers. Bred out of medium to large frame Bongongo blood Angus Cross females and sired by Annaleine & Flemington Angus bulls. As potential breeders these heifers tick all the boxes, however the cattle have a history of performing exceptionally well on feed and would suit any backgrounding or finishing program. These heifers are eligible for grass-fed programs as they are pasture reared and anti-biotic free. Very quiet cattle suitable for all levels of livestock handling abilities. Vendor is also offering 35 Angus Steers & 23 Angus heifers in the same sale.
