These steers are the 2nd draft out of 123 offered in this sale & would normally be held for the North East Victoria feature January weaner sales where they have previously won best presented pen of steers, 2 years in a row. I would describe these steers as excellent quality presenting in forward store to prime condition, with a weight range at assessment of 300kg - 349kg to avg 298kg curfewed. Note same vendor offers two more lots of steers & two more lots of heifers in the same sale totaling 218 head on offer in this sale.
