Assessor Comments	A/c Macsway P/L (Formally WN Mc Donald & Sons) offer 35 outstanding quality Angus heifers 7-9 months sired by top quality Jade Park Angus bulls. These heifers are the tops out of 93 offered in this sale & would normally be held for the North East Victoria feature January weaner sales where they have previously won best presented pens, 2 years in a row. I would describe these heifers as excellent quality future breeders presenting in forward store to prime condition, with a weight range at assessment of 223kg - 296kg to avg 247kg curfewed. Note same vendor offers one more lot of heifers & three more lots of steers in the same sale totaling 218 head on offer in this sale.
