| Vendor Comments              | Quality 2nd Cross lambs, still fresh and short in the wool. Ewes and lambs have been running on crops all their lives.                                                                                                                                                                                                                                                                                                                                                                                                                          |            |              |
| Any Access To Rams or Stags? | To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.                                                                                                                                                                                                                                                                                                                                                                                                                                                  |            |              |
| Assessor Comments            | Excellent quality line of 2nd Cross Lambs. Lambs are very fresh, showing tremendous shape, bone and very true to type. Lambs are still running with their mother and have been rotationally grazed on a Ryegrass crop for all their lives. 1st Cross ewes are well bred out of Nerstane Merino Ewes by Chain-O-Ponds Border Leicester Rams. Lambs are sired by Old Woombi Poll Dorset Rams. All animal health treatments are up to date. A tail of 21 head has been removed from this lot. These are top quality lambs and will not disappoint. |            |              |
