Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.		
Assessor Comments	A nice small even line of 67 Australian White Store Ewe Lambs. Lambs are breed out of a Tattykeel based ewe base and are showing very good grow for age. Lambs are a winter drop Jun-Jul '23. Lambs have had a start on the feeders with MSM Lamb starter plus running on fresh Lucerne and Rye grass. Ewes are out of fertile ewe flock with dries sold out. Ewes would make nice future breeders going forward or continue to develop into nice shapey trade to heavy weight lambs on the right feed. Buyers note vendor has a lot of wether in same sale.
