Assessor Comments	Lamb finishers, a great opportunity to purchase a quality line of 2nd cross store lambs well on their way to heavy trade or export weights. This is the top draft of lambs from the vendor, with a total of 540 head on offer in 2 lots in this sale. Lambs are July 2023 drop, weaned and unshorn. Lambs were treated with Avenge + Fly on 14th November, this should provide protection from fly strike for up to 14 weeks from the date of application, however lambs cannot be shorn until 14th January 2024. Lambs are running on a good raphano brassica crop and are only being sold due to a change in direction. Please note a small number of lambs with red tags in the mob, these lambs are the same age but were bred on the vendor's Bathurst property.
