JD Approved Vaccinates	Sheep are not JD Approved Vaccinates.		

Quality Grades

Good	100%
------	------

Assessor Comments A good line of shorn merino wether lambs. Weaned, drenched and vaccinated, these lambs have been individually weighed 35kg and up. They are ideal to take to heavy trade or export weights or to run through as wool cutters. Recent worm testing shows minimal worm egg counts (see data attached in photos). There are 820 lambs in this lot to be sold as two lines of 410, a run out the gate.
