Vendor Comments	Perfect lambs to feed on.
Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	Here presents an opportunity to purchase 385 W/s x dohne/merino good quality feeder lambs. 42kg at assessment they present as the perfect lamb to put into feedlot or out on lucerne after such high rainfall. With all the hard work done, these lambs will perform from day one as they are weaned, shorn and ready to go. Lambs have been running on fresh stubbles picking up leftover grain from headers so would be ideal for feed lotters with most of the induction work done. Market looking forward looks bright. buy with confidence.
