Assessor Comments	An excellent run of shorn 2ndX & PDxMer store lambs from the renowned Coolamatong flock. Lambs are going forward and have done well since rain and shearing. These lambs have always done well for the buyers, reaching domestic/export weights if given the opportunity. Bred out of medium/large framed BL/Mer & Merino ewes by high quality Portadean (Denis Blyton) Poll Dorset rams with rams selected for length, depth and shape. Approximately 26% 2ndX, balance PD/Mer. 10% tail removed at assessment. Please note: Agent can organise delivery to Riverina with weekly market trucks to Wagga.
