Assessor Comments	420 May/June 2023 drop wether lambs. The Yanko bred & blood.Unshorn. Lambs averaged 36.5 kg after a 12 hour curfew. Lambs are well grown , well bred and ideal as woodcutters all to put on feeders. Lambs have a well nourished tip with a 50 mm wool length. Lambs present as an even line after having a large tail removed. Please note 1.5/2 % of lambs have extra horn but definitely marked. Lambs definitely from one of the districts best flocks. Please ring with any questions.
