Assessor Comments a good quality draft of composite wether lambs Aug/Sept drop presenting in store to fwd store condition. lambs were individually weighed off 30kg and above giving the purchaser a nice even line of lambs to take on. ideal lambs to shear and fatten for the promising autumn/winter lamb market. the lead of these lambs have been slaughtered with a 47% yeild. lambs have had a full animal health program and and very well bred and given feed and time will grow into solid heavy trade or export lambs
