A high quality line of proper 2nd x lambs on offer that wont take long to finish. Lambs were all individually weighed from 35 - 45kgs at assessment to ave 40.2 kgs. Lambs have had a crutch and upto date with all animal husbandry only drenched a month ago. Lambs will be weaned upon delivery so will still be thriving on their mothers and access to fresh pick. Assessor opinion these lambs are of high quality and a majority would finish without been shorn for domestic weights or will grow out into heavy export weight lambs given the opportunity.
