Assessor Comments	600 seconds of the “Westlands” Merino Woolly ewe lambs. June/July 2023 drop. Weighing 24.5kg LW curfew. Lambs are in sprightly spirits. They do present in forward store condition. However growing their wool and loosing their bloom. 3 more lots of the same lambs available in this sale. A large tail has been removed. These ewes will go on as resilient future breeder that will perform under all circumstances. Bred out of Medium/Large framed Watervalley Merino ewes. Very small percentage with waterstain on their backs.
