Assessor Comments: Buyers on offer are 80 Angus infused heifers that would suite restockers looking to rebuild breeder numbers. Heifers show all attributes to make a good line of future breeders showing good feminine characteristics. Heifers show good length of body and show plenty of depth and come with plenty of softness. Heifers could also be taken through to feeder weights suiting the domestic/exports markets or taken out to kill weights at a young age.*Buyers please note Buffalo fly was preset on cattle at time of assessment*. Heifers are all Sired by the Gunda Park Angus bulls with majority being out of Droughtmaster infused cows.*Heifers come recommended*
