Assessor Comments	Good line of Droughtmaster steers with heaps of frame and potential compensatory gain. They have recently been vaccinated with Bovi shield had their 2nd 5in1 and wormed with a injectable. Buyers please note these steers were originally purchased out of ticky country and will do extremely well given the opportunity. They have grown up in lantana country for anyone wishing to go back to those areas. Cattle are now located in a tick free zone for ease of movements.
