Handled With	Bikes , Dogs , Horses , On foot , Vehicles		
Assessor Comments	Gilliland Livestock Marketing offers 32 Droughtmaster cross and Santa cross store heifers. A very even run of heifers that present in store condition after being grazed and grown out on lighter forest country and weighed to average 209 kg at assessment. This run of heifers were purchased out of local south east Queensland saleyards over recent months over the dry period, weaned and tailed out with horses dogs. Heifers have a lot of compensatory gain are ideal heifers to take to the next level into feeder heifers or future breeder heifers. Please note 2 heifers have some spots of Ringworm on neck (See photos)
