Assessor Comments	Buyers a perfect line of future breeders that have plenty of frame and not carrying any excess condition. Heifers are out of a Angus cow line by quality selected speckle park bulls. Heifers have great eye appeal and would suit to be grown out for future breeders to join to the bull of your choice or domestic feeders. (Please note vendor has multiple lots in same sale. Also note 10 heifers were assessed at a different location but will be in the same yards at delivery.)
