	Easy cattle to handle through yards, a few got a little excited in the crush but were not aggressive. A couple in the mob with a bit of flight when pressure is put on them but were easily blocked when needed.		
Handled With	Bikes , Vehicles		
Assessor Comments	Santa has come early & delivered this very handy 2 decks of Angus & Angus/Hereford steers which are presenting with quality, softness and good frame. Bred from bulls out of well known Hazeldean & Landfall Angus studs these vendor bred yearling steers are perfect to background for the heavy feeder markets or put straight on the grain for flatback trade markets. * Please note- There is a couple with slight clouding in the eye but not detrimental.
