Assessor Comments	A great opportunity to purchase 92 quality Angus & Angus X, No. 3 weaned steers. These steers stand on good bone with great length. Bonavista cattle have a great reputation for their doing ability off pasture, crop or feedlot. These steers are ideally suited to be taken through to heavy feeder weights or taken to heavy export markets. Steers are going forward on green feed and should continue to do so. Please note 12 steers white face or white under line refer to photos and video.
