Weaners have been educated and were a pleasure to work with. Odd animal agitated on crush once released settled. Vendors handled cattle with ease when walking the cattle out with dogs after the assessment and weaners dropped their head instantly and it was neat to watch. See video

Assessor Comments

Vendor bred Santa x Droughtmaster heifers with a shorthorn infusion Nice line of young weaner heifers averaging 200kgs at assessment. Heifers are out of highly fertile cows, and were a pleasure to handle. Weaners progressed well in past dry conditions, and are now moving forward quickly due to recent rain. Suitable for a backgrounder or re-stocker.
