| Assessor Comments  | A great line of Knowla bred Angus steers out of big framed Hazeldean and Wattletop Angus blood cows very well grown for there age ideal to grow into feeder steers. Steers are up to date with animal health treatments as shown in assessment. Great opportunity to purchase renowned doing steers.                                                                                         |
