Assessor Comments	Here is a good opportunity to purchase a even mob of young weaners that are starting to clean up in the coat and are ready to power ahead. These cattle carry 5 Star Angus genetics and given the right opportunity these weaners will power ahead. Cattle have been handled by a good stockman and are easy to handle in the paddock with horses, dogs & bikes and also good to handle in the yards. N.B two heifers have slight pink eye scaring in one eye which is not deemed detrimental & one heifer has white under her stomach.
