Assessor Comments	38 Good Quality Angus yearling Heifers, 14 - 16 months, weighing 282.1kg curfewed. Heifers are renowned Belltrees Station bred and are only being sold due to continual dry seasonal conditions. Heifers would normally have been kept and joined. Heifers are out of station bred females by JT Angus sires and are known for their high fertility. Heifers have been running on leased country prior to the 23rd of November and have received a PG treatment and were pregnancy tested to confirm that they had not been served. Ideal Heifers that will steam ahead given an opportunity and either join at later date or fattened as they have been started on feed.
