Vendor Comments This is our annual sale of surplus heifers. These heifers have had all the hard work done and would suit the breeder operation. Well handled quality females

Joining Details Not Station Mated

Any Access To Bulls or Stags? To vendor's best knowledge, this lot has had no access to bulls or stags.

Quality Grades		Store Condition		Carcase Quality		Muscle Score	
Excellent	50%	Fwd Store	70%	GAQ	100%	C	100%
Very Good	40%	Store	30%				
Good	10%						

Temperament

Yards	Crush	Paddock
Docile: 50 head	Quiet: 65 head	Temperament not assessed in Paddock
Quiet: 15 head	Slightly Stirry: 2 head	
Slightly Stirry: 2 head		

Cattle are a credit to the vendor. They are well handled at weaning being exposed to all methods of mustering. They flow through the yards with minimal effort, two heifers were a little agitated in the back yard and crush but settled quickly upon returning to the main mob for photography.

Handled With Aerial (Helicopters, gyro's and planes) , Bikes , Dogs , Horses

Notable Traits

Traits

1 Head White marking on head

Assessor Comments Buyers, an opportunity to secure 67 Red females that have a reputation for performance, fertility and functionality. These females are bred from quality large frame Droughtmaster cows that have many generations of leading Droughtmaster genetics. They are sired by top quality bulls that were selected for structure, fertility & temperament. These heifers had a live weight range of 301kg - 396kg at assessment and will have a delivery weight of 330kg They are well grown females that have plenty of length, femininity & softness. Majority polled or polled scurred females with only 19% being dehorned. These heifers would be ideal to join to the bull of your choice to make future breeders for any operation. The Denby cattle also have a solid reputation for performance & grading on grass & grain grids. They are TEYS GRASSLANDS ACCREDITED & have had 7 in 1 booster needle and three germ blood. A OPPORTUNITY TO SECURE FUTURE BREEDERS THAT WILL BECOME MATRONS IN ANY ONES BREEDER HERD.
