Assessor Comments	EU Accredited steers that will suit a number of applications, these steers exhibit plenty of frame and weight whilst still having growth and age on their side. Presenting in strong store condition these steers would benefit from fresh feed and are poised to gain weight quickly to hit rising feedlot markets or to grow out to the trade. Cattle have performed well for past purchasers in either the paddock or feedlot with vendor generally growing out to feedlot weights if the season permits. *Please note, vendor is also offering 82 EU heifers in the same sale.
