Assessor Comments	EU Accredited heifers that will suit a number of applications, these heifers exhibit plenty of frame and weight whilst still having growth and age on their side. Presenting in strong store condition these heifers would benefit from fresh feed and are poised to gain weight quickly to hit rising feedlot or trade markets. Coming from a well doing fertile herd, heifers would also make a good line of future breeders if retained growing out to large framed easy management cows. Cattle have performed well for past purchasers in either the paddock or feedlot with vendor generally retaining the heifer portion if the season permits. *Please note, vendor is also offering 60 EU steers in the same sale.
