steers very good to handle, have clearly been well educated.

Handled With	Bikes , Dogs , Horses , Vehicles
Assessor Comments	Outstanding quality run of 340 beautifully bred "Okeview" steers that will be sold as four even runs out the gate of 85. These steers were all weighed 405 and above and are extremely even in weight and type. Steers are not over done with condition giving purchaser plenty of scope to put weight on quickly they will suit either a feedlot or Bullock finisher and in my opinion are some of the best Hereford cattle you will buy. The Okeview cattle have a tremendous name in the Hereford world and have always focused on buying top end genetics with very good feedback on the performance of their cattle in the past.
