Assessor Comments	A nice line of 45 vendor bred Black Simmental and Angus cross Hereford heifers 449kg. These young heifers show great bone density and muscle shape and are ready to grow on. Sired by Lancaster Black Simmental and Granite Ridge Angus bulls out of quality vendor bred Poll Hereford cows, they were easy to handle as they were very quiet and calm in yards which will see them settle anywhere and should truck well. Ideally they would make excellent future breeders or could be taken on to heavier feedlot weights or finished in the paddock. Weaned in May 2023 with Multimin, B12, drenched and 7in1 Bovilis & Pestiguard vaccinated.
