Assessor Comments	Buyers an excellent opportunity presents itself to purchase a GOOD QUALITY line of 26 EU ACCREDITED vendor bred Angus and Hereford infused females. The Nixon family is a name synonymous in the Hereford breed and recently have been purchasing top end Angus bulls to add to their program. This group of heifers show all signs to make top quality replacement breeders, showing femininity, sound conformation and great temperament. Please note, 3 heifers were treated at assessment (18.1.24) with Orbenin Eye ointment for active blight. Presented in store condition and currently gaining weight after weaning, heifers would be ideal to grow out to heavier feeder weights or to join to the bull of your choice. Please see photos and videos for further satisfaction. *Vendor also selling a lot of steers in same sale*.
