Assessor Comments	Buyers here is an opportunity to secure a VGQ 2 deck line of Euro cross steers presenting in good store condition and powering ahead after recent rains they show the ideal cross and show great length and frame with tremendous weight for age. Sired by Fairfield Charolais bulls out of large framed Santa , Hereford, Simbrah and Charbray cows these steers come with a great reputation and are highly sought after by repeat buyers. Ideally suited to the lucrative Pasture fed bullock market being eligible for all HGP, antibiotic free programs, alternatively will make great 100 day feeder steers after the Summer. Please note one steer was missed dehorning at branding but tipped inside ears at weaning and two with small warts on neck neither considered detrimental. Please note Vendor has 2 decks brothers this sale
