| Assessor Comments  | A good quality line of of backgrounding Heifers or join to the bull of your choice, just shy of entry weights to the feedlot these Heifers offer a quick trade if needed or take right through to the heavier end of the feeder grid. These Females would also suit to be future breeders as well. Heifers are soft easy doing females that are nice famine types that stand on good bone, they are well bred from a herd of large frame cows and were sired by A.I Sons of Ardrossan Casino. Heifers are surplus to needs and are in fresh forward condition and currently doing like steam, heifers are grass fed and anti-biotic free. Take advantage of the current season with some good quality cattle that offer a quick turn around or if joining heifers will be at very suitable weights come April/May for a autumn calving. |                                           |                                     |
