Stirry: 4 head

Paddock

Steers became unsettled in the force yard and race at assessment. These steers became quite stirry in the crush on the weight platform and exited the crush quickly.

Handled With

Bikes , Dogs , Vehicles

Assessor Comments

7 vendor bred Speckle Park XB steers. These steers are out of large framed Angus X cows with no none blood lines or

breeding history. They would be ideal steers for a backgrounder looking for steers to grow out to feeder weights or finish through to domestic or heavy kill bodies. Health treatments are up to date and they are in good forward condition ready to perform on pasture or feed. Buyers please take note of temperament.
