| Assessor Comments             | A very nice line of heifers sired by Palgrove Charolais bull that has put muscle and softness into these animals. Heifers present in fresh forward condition and given the right opportunity could be fattened into domestic or export weights in a short time frame or alternatively join to a desired calving pattern. Heifers show great depth and length of body allowing them to grow into large frame breeders in the future Heifers show very good growth for age and sound confirmation with all heifers showing the body shape and softness to finish. Vendor has steer portion of these in this sale to |
