	These steers were a pleasure to work in the yards and race, a small percentage do however become agitated when they are in the crush. They are well handled cattle.

Assessor Comments	51 X Pure Bred Angus steers presenting in fresh forward store condition. Vendor bred steers that are really starting to perform after drought breaking rains over the Christmas break. Very well bred steers that show all the true Angus traits of bone and length good fleshy skin and plenty of frame. They are performance cattle that any prospective buyer will not be disappointed with. Top draft out of 90 steers. Well handled cattle that were a pleasure to weigh. *Dunoon and Hazeldean blood* Highly recommended.
