	Generally very good temperament and good to handle with only a few stirring up in crush.					
Handled With	Bikes , Vehicles					
Notable Traits	Traits					
	4 Head Some white behind navel					
Assessor Comments	A Full Drop of Heifers from a good quality and well managed herd assessed and handled in good facilities. A wonderful opportunity to add to a breeding herd or for feedlotter to take on to higher weights. May be an odd bathurst burr on some animals from summer rains but possibly too green yet to be an issue. Can recommend / refer photos.
