Assessor Comments	Full drop with tail out of Spring drop steers purchased as calves at foot from quality bought in females with top genetics. Great to feed on for trade or feedlots. Full sisters (40 head) in today's sale along with Vendor bred rising 2 year old NSM females (67 head). May be odd burr on some steers as Summer rains has shot bathurst burrs on property but possibly too green yet to pick up in coat. Refer photos.
